"The Ozizo 34 fl oz (1000 milliliter) Stainless Steel Double Wall Vacuum Flask is designed to keep your hot beverages hot and your cold beverages cold. With its double-wall vacuum insulation, it maintains the temperature of your drink for extended periods. The flask is constructed from high-quality stainless steel, which not only gives it a sleek appearance but also provides durability. It features a no-slip bottom to prevent it from sliding around, and the smooth mouth design ensures comfortable drinking. The portable handle makes it easy to take with you wherever you go, whether you're heading to work, the gym, or on a hike.

The Ozizo 18 fl oz (520 ml) Elite Infuser Thermos is a convenient way to enjoy your favorite drinks while on the go. Made with double-walled, vacuum-insulated stainless steel, it keeps drinks cold for hours. The leak-proof BPA-free straw lid ensures that the drink stays inside the bottle, while the durable finish protects it from wear and tear. The 18 fl oz size makes it perfect for most cup holders. On the other hand, the Ozizo 18 fl oz (520 ml) Elite Insulated Vacuum Flask is designed to keep drinks hot or cold for hours. The double-wall vacuum insulation technology provides an extra layer of insulation, while the stainless steel construction makes it durable and resistant to scratches and dents. It comes with a cup mouth, making it easy to drink directly from the flask, and a stainless steel food-grade cup filter that prevents debris or impurities from getting into your drink. Its elegant design makes it a stylish accessory, suitable for any occasion, whether at work or enjoying outdoor activities.
